Hi Scott

Thankyou for your reply, we will work towards a meeting next week.

Cathie returns next Tues, and she will decide whether Paula or/and I will also attend.

Quick note, but can be discussed anyway: the proposal is only for Volume crime 'scene' samples; reference samples would continue with current processing and costing framework.

I will ask Sandy to find a suitable time.

Kind regards
 Justin

Paula thank you for the email and for the briefing and options paper regarding P+. If it's OK I'd like to meet next week to discuss the options moving forward as well as what impact, if any, these changes will have to our funding arrangements.

I'm available all day Wednesday and Friday that week.

Hi Scott,

I have not booked a meeting regarding the options for volume crime processing as discussed on the phone yesterday, as I wanted to ensure you had time available before setting up a meeting with Paul Csoban and Justin. Unfortunately, Paul's calendar is filling up for Thursday, and I am away on Friday and Monday. I am not here tomorrow (Wednesdays are my non-work day) and therefore I will be unable to follow up on a meeting. If you wish to proceed with a meeting for Thursday, Sandy (Paul's ESO) may be able to accommodate this – however we will need to liaise with Justin to ensure some of the meetings Justin and I have booked for Thursday are rescheduled. Otherwise, we can organise a meeting for next week – Cathie returns on Tuesday.

Please let me know, and I will action anything I can on Thursday.
