Hi Justin & Paula

Let's just hold off on creating anything for the moment. I'm still awaiting feedback from Lara and Legal.

Cheers

Hi,
 Yes I think we should have a Project # and I can keep the documents/drafts/spreadsheets in that folder (protected of course).

Should I also add in Mgt Team review table for signature?

Thanks Justin,

As this is the report, and a tech review has been undertaken, should a project be created for it?

Thanks,
Paula

Hi
Please find attached v2 of a report for review. Allan has been through the corrections I made to the data and graphs, and has read this report.

Thanks
