HI Boss,

To:

I'd got this far (was getting ready to send this out)

See I:\Change Management\Proposal#181 - Sperm microscopy sensitivity

Cheers AI

Hi Al,

Can you give me an update on when the Project Plan for #181 sperm micro sensitivity may be ready for sending out? Are you waiting on feedback from anyone? As I'm not here tomorrow, if you need to chat to Justin in my absence please feel free. Otherwise, I will follow up Thursday.

Thanks, Paula
