Hi, possibly. I would ask Allan to do this, but would have to show him what was done.

Hi Lara

When legal provided advice on this, you asked me to add draft to it.

I will need to re-review it and see when it's ready to be shared. We can issue it early next week, if we're advised it can be shared.

Cheers
Cathie

Good morning Cathie

Could you please advise the status of the second report? This copy states 'draft'.
 I am certain to be asked if it is ready to be shared with QPS.
 If it is not yet ready, when can I advise that it will be?

Thanks and Kind Regards
 Lara

Hi Lara

The first options paper is the pdf doc = #184 review of Microcon Options paper QPS. Attached email from Supt Frieberg advising her authorisation to proceed with the 'DNA Insufficient' process (dated Feb 2018).

I'll work on the rest and send as it's done.

Cheers
